Week 1(June 17- 21) Play Ball
Week 7(July 29 - Aug 02) Olympian

Campers will be placed in small groups by grade and ability. They will receive training in the fundamentals of Football, Basketball, Volleyball, Tennis, Cricket and Soccer. This camp is designed to introduce beginning athletes to a medley of sports and to help beginning and intermediate athletes build sound fundamentals and techniques. The focus of is to give young athletes a fun, non-competitive experience..

Week 2(June 17 - 21) The Beach
Week 8(July 29 - Aug 02) Camp Atlantis

Water, Water Sports, Water Engineering, and Teamwork is what these week are all about. Along with our regular summer camp offerings including swimming, we'll make extra time for some extra H2O fun! We'll take water-themed field trips, splash water balloons, go kayaking, fishing, have rubber ducky races, experience creek adventures, water bucket brigade and have a large water party! A surefire way for all campers to COOL OFF THIS SUMMER!!

Week 3(July 1 - 3) Myths and Legends

A myth is a traditional, ancient story that is fictional. Myths were often written to explain natural phenomena and quite often involved gods and fantasy creatures. **A legend is a story** which takes place within human history. Legends are widely believed to be rooted in the truth, but will have evolved over time and taken on fictional elements. At camp we will explore them.

Week 4(July 8 - 12)

The Amazing Race is a competition, teams race around the camp. The week is divided into five stages; campers will complete a different stage each day. Each stage ends with a Pit Stop. The first team to arrive at a Pit Stop is often awarded a prize. Most stages are non-elimination legs, where the last team to arrive may be penalized in the following stage. The final leg of each stage is run by the remaining teams, and the first to arrive at the final destination wins the prize.

Week 5(July 15 - 9)

WHO; future writers, techies, musicians, designers, performers, visual artists, photographers, videographers, anything-elsers, the kind of people who might someday want to work in a creative space.

LEARN; Unlock your creative passion
 Discover what makes you unique
 Find your groove in the creative process

Week 6(July 22 - 26)

The camp is divided into two teams - Blue and Red a.k.a Color Wars - for friendly competitions in outdoor events, relays, and banner competitions. Spirit Week teams are judged on sportsmanship, teamwork. Spirit is the continual flow of positive energy, enthusiasm and good will that permeates throughout our camp community. Our Spirit is the figurative soul, attitude and atmosphere at Explorer Club – invisible to the naked eye, but impossible for the heart to miss.

Week 9(August 12 - 16)

This unique summer program includes day camping trips! Building confidence, group decision-making, and outdoor ethics are emphasized. Along the way, kids learn to identify edible plants, build fires, rock hop and navigate with a compass

Week 10(August 19 - 23)

Campers will be amazed when they, discover cool chemical reactions, build rockets, participate in their launch, try cool spy equipment, and use funky forensic tools that are used in real crime scene labs and attempt to build a robot.

Week 11(August 26 - 29)

All of your favorite camp activities and games combined into one fantastic week!
